_____ Please replace my filter pads (\$36.99 each) Please replace my skimmer net/brushes (price varies)

_____ Would you like us to bring you products from our store. If yes: _____

A standard pond clean out in the OKC metro area starts at \$250 minimum. Those ponds requiring more than 3 hours to clean out will be billed at a rate of \$95 for each additional hour. This cost will vary depending on the size of pond as well as how long since the last clean out. This rate is for one service technician. For large ponds or more complex work that may require more than one person (ie, moving large rock), GPU will bill an extra \$40 per hour per extra tech. Only one service tech will be sent unless customer requests more than one tech. Ponds outside of the OKC metro will be charged extra for drive time to and from our store. I release Garden Ponds Unlimited from all obligations created by or arising out of this clean out service whether known or unknown. GPU is not responsible for loss of life to any fish or leaks in pond. All services and products must be paid for at time of service. If paying by credit card a 2.5% convenience fee will be charged. All sales are deemed to have taken place at 200 S. I-35 Service Rd in Moore, OK. I agree to pay Garden Ponds Unlimited according to the terms stated herein.
